

for Primary School in Pembrokeshire
Consultation with 45 children (years 4, 5 & 6)

VocalEyes is an innovative new civic engagement tool enabling student participation in decision making processes. This project compliments the “Listen to Learners” remit and existing school councils.

“We are using VocalEyes, to teach our children about democratic processes in a very practical, powerful and local way. This is proving very popular with the pupils and enlightening for the staff and parents.”

Projects involving car sharing, local skills, local art/crafts, local food and community groups can also be facilitated using the LocalEyes digital toolkit.

“VocalEyes has been included within the curriculum at our school to help teach our pupils how to act locally and sustainably.”

“We are 100% committed to the project.”

Head Master

VocalEyes is now being offered within the “Sustainable Schools” programme

RESULTS:

Recent results from **VOTING Proposals** concerning this **Primary School...**
The following HIGHEST RATED ideas were turned into VOTING PROPOSALS

More Books?		
In the school all the books are old and boring; I think we should have more novels because people in Classes 4 & 5 like to read them.		
Options:	Fiction / Story Books	32
	Quiz Books	8
	Science Books	7
	I don't really mind	5

More Laptops?		
I think there should be more laptops so we don't have to share.		
Options:	Yes, I agree	40
	No, there are enough already	1
	I don't really mind	4

Goal Nets		
I think that the school should have goal nets because we need them so the ball won't go all the way down to the bottom of the school.		
Options:	Yes, I agree	27
	No, its fine as it is	13
	I don't really mind	5
